

## Introduction

ISA membership is mandatory for any type of participation in ISACON including E-paper (platform) presentation or E-poster presentation. Studies are preferred for E-paper presentations.

**Note:** It will take minimum 3 days to get membership after applying online. Please apply for membership of ISA, well in advance, to participate in abstract submission for any of the category of ISA Presentation.

Registration for ISACON 2021 conference is a prerequisite for any presentation.

## Broad Guidelines

1. It is mandatory that the first (main) author should be the presenting author.
2. One delegate can submit 2 abstracts of different kinds.
3. The abstract must be original and should not be published or presented elsewhere earlier.
4. There are 2 modes of presentation: Oral E-paper and E-poster.
5. All the abstracts will be reviewed by reviewer committee and the final decision of allowing the presentation of your choice or change in category or rejection will remain as per the discretion of ISA Abstract Review Committee, Scientific and Academic Committee.
6. Notifications regarding submission will be sent to the submitting author after review by the scientific committee.
7. Fee of ₹ 500/- will be charged for those wishing to present e-paper and poster presentation.

## Last date for submission of abstract is 5<sup>th</sup> of December 2021

1. A maximum **4 Authors only** is allowed for each abstract (including the presenting author). One will be the principal author and the others will be co-others.
2. **Abstracts must be submitted online at <https://isakl.a1logics.live/> Submission of offline soft copy/ submission by mail or hard copy submissions are not accepted under any circumstance.**
3. The presenting author's name must be highlighted and the presenting author's full name, institution, address for communication, phone number and email address must be provided. Email address and Mobile number are mandatory as all further communications will be done via email.
4. Abstracts stating "data will be discussed in presentation" will not be accepted.
5. The presenting author is required to ensure that all co-authors are aware of the contents of the abstract before submission.
6. A maximum **4 Authors only** is allowed for each abstract (including the presenting author). One will be the principal author and the others will be co-others.

## Specific Guidelines for E-paper

1. Title slide should contain the title and the names of all authors mentioned in abstract.
2. Presentation must include the major headings – Introduction, Methods, Statistical analysis, Results, Discussion, Conclusion and References.
3. Introduction – mention about need for study, aims & objectives, lacunae in existing literature.
4. Methods – mention type and design of study, study location and population, ethics clearance, clinical trial registration number if any, inclusion and exclusion criteria, blinding, randomization, sample size estimation, methodology proper with parameters studied and statistical details.
5. Results – details of demographics, primary and secondary outcome measures, safety profile details, with use of suitable illustrations.
6. Discussion – include inferences from results (not repetition of values), confounding variables, and comparison with previous literature, limitations and future scope.
7. Conclusion - to be precise and focussed on primary aim of the study. (Do not mention limitations, future scope in or after conclusion slide).
8. References: only pertinent references to be added.
9. Stipulated time for E-paper is 6 minutes presentation + 2 minutes discussion.

### **Guidelines for E-poster Preparation:**

Stipulated time for E-poster presentation is 3 minutes + 2 minutes (discussion).

### **Guidelines to author for E-poster Presentation:**

Maximum 3 PDF pages and not more than 10MB.

File name should be the name of the presenter.
